With its stylish design and incredible performance, the 115 Series is one of our most popular ranges of LED marker lamps. The marker lamp provides improved vehicle visibility in hazard situations and turning procedures. The 2 part construction provides a simple installation and ensures easy replacement whilst in service. No tools are required to replace the lamp unit.

- » Unique Aesthetic Design
- » 10-30 volt operation
- » Long life LED light reliability
- » "Snap in" lamp to bezel - Easy fit
- » Improved vehicle marking visibility

Part Number	334.031SS
Functions	Side Repeater / Side Marker / Reflector
Lens Colour	Amber
Voltage	12-24V
Connection	Superseal
Technology	LED
Power Consumption	2W
Material	Lens: PMMA Housing: ABS/Polycarbonate
Mounting Option	Bracket Mount
Approvals	E Marked (ECE R6, ECE R91, ECE R3) / EMC Approved (ECE R10)
IP Rating	IP67
Item Dimensions	154mm (l) x 49mm (w) x 38.5mm (d)
